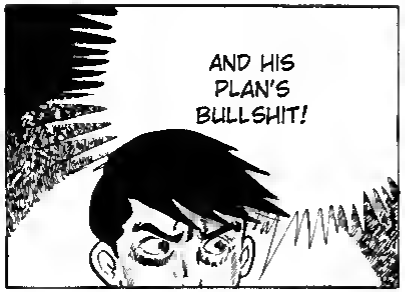
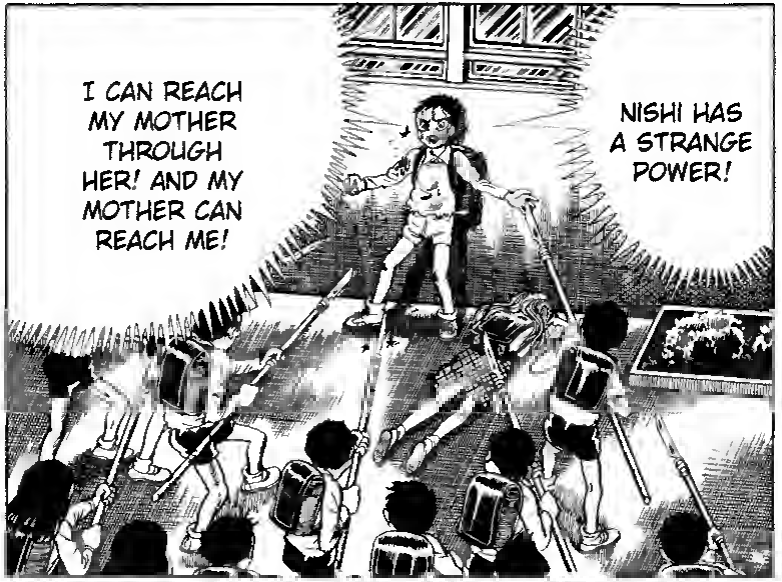
LISTEN! DON'T YOU WANT TO GO BACK HOME?
DON'T PAY ATTENTION TO HIM!
AND IT WORKED!
I WANTED TO LEAD YOU ALL BACK HERE!
DON'T YOU SEE? I DIDN'T SET OFF THE DYNAMITE!
SOMEONE SHUT HIM UP! LET'S FINISH HIM OFF!
SHUT UP, YOU GODDAMN COWARD!
JUST LISTEN FOR A SECOND!
THE COMPUTER TOLD US THE SCHOOL IS THE CLOSEST POINT OF CONTACT TO OUR WORLD!
W-WAIT! WE HAVE TO HURRY, OR WE WON'T BE ABLE TO GET BACK TO OUR TIME!
JUST LISTEN!
I'VE HAD ENOUGH OF YOU!
SOME KIND OF SHOCK OCCURRED BETWEEN OUR WORLD AND THE ONE WE'RE IN RIGHT NOW!
THIS IS WHAT I'M THINKING!
IT'LL CLOSE UP IF WE WAIT ANY LONGER!
I DON'T KNOW WHAT IT WAS, BUT IT RIPPED THROUGH THE WALL OF TIME. WE SLIPPED THROUGH THE HOLE IN TIME!



AND HIS PLAN'S BULLSHIT!

DON'T LET HIM FOOL YOU! HE'S GUILTY!

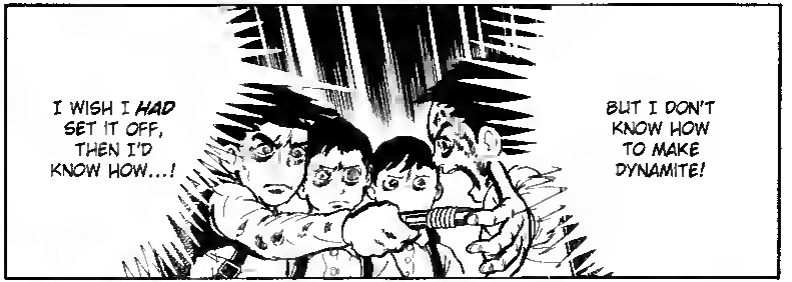
WE CAN DO IT THROUGH NISHI!



I CAN REACH MY MOTHER THROUGH HER! AND MY MOTHER CAN REACH ME!
NISHI HAS A STRANGE POWER!

THAT'S WHY WE HAVE TO CREATE ANOTHER SHOCK AS SOON AS POSSIBLE! THAT'S THE ONLY WAY WE CAN STRETCH THE TEAR OUT TOWARDS US!
THIS IS OUR ONLY CHANCE! IF WE WAIT TOO LONG WE'LL END UP TRAPPED HERE!

WE HAVE TO MAKE ANOTHER EXPLOSION!

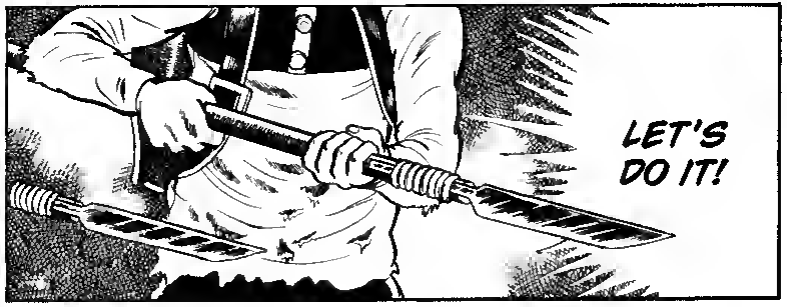


I WISH I HAD SET IT OFF, THEN I'D KNOW HOW...!
BUT I DON'T KNOW HOW TO MAKE DYNAMITE!

SHSSH
SH- SHUT UP!

YOU'RE OUT OF YOUR MIND IF YOU THINK THERE'S A WAY OUT OF THIS! I'VE HAD ENOUGH OF YOUR EXCUSES!
SHUT UP! SHUT UP, SHUT UP!

THERE'S NO WAY WE'LL LET YOU LIVE! LET'S GO!

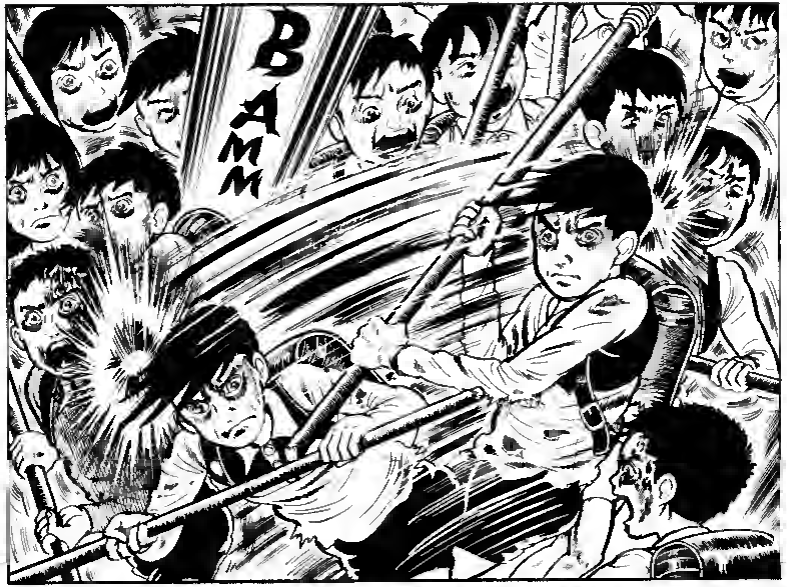


LET'S DO IT!

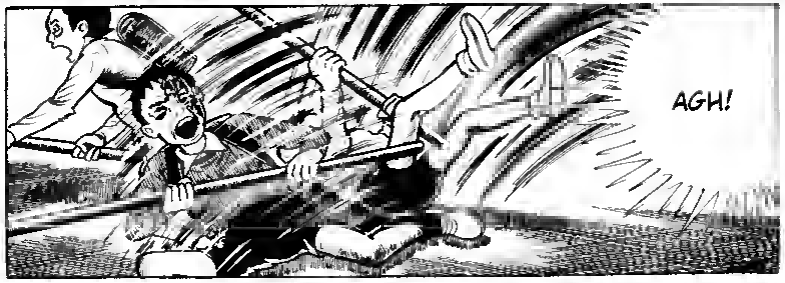
IF SHE CAN CARRY VOICES, MAYBE SHE CAN TRANSPORT OBJECTS TOO!

WHAT?!

NOW WE HAVE TO FOCUS AND WILL OURSELVES TO GO HOME! WE HAVE TO DO IT TOGETHER!
IT MUST BE SOME KIND OF PSYCHIC POWER! NISHI ALWAYS DREAMED OF ANOTHER WORLD!



BAMM



AGH!

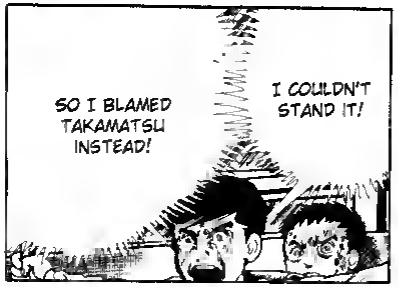
YOU SHOULD KILL ME, NOT TAKAMATSU!

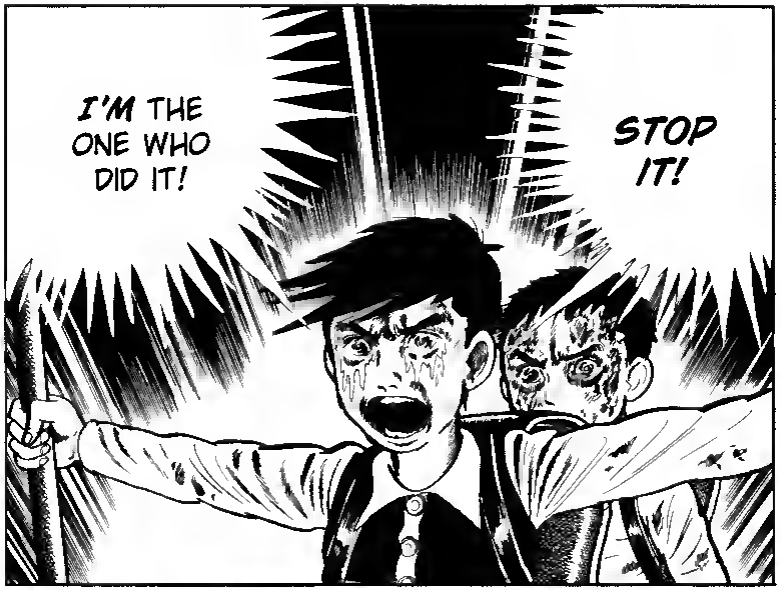


SO I BLAMED TAKAMATSU INSTEAD!
I COULDN'T STAND IT!

MY GUILT WAS UNBEARABLE!

I FELT AWFUL! AND THE WORSE I FELT, THE WORSE I TREATED TAKAMATSU!

I WANTED THE SCHOOL TO GO AWAY! THAT'S WHY I PLANTED THE DYNAMITE!
I WAS THE CLASS REPRESENTATIVE ...I ALWAYS HAD TO HAVE TOP GRADES. I COULDN'T TAKE THE PRESSURE!



I'M THE ONE WHO DID IT!
STOP IT!

OTOMO ...?!

FORGIVE ME! I DON'T DESERVE TO LIVE!
I'M THE ONE WHO SET OFF THE DYNAMITE!

I WANTED TO BLOW UP THE FACULTY ROOM! BUT IT DIDN'T WORK!
SO I DECIDED THAT NEXT TIME I'D SET OFF AN EVEN BIGGER EXPLOSION!
LOOK! HERE'S THE PROOF!
AH!

GASP...!
DYNAMITE!
...I ENDED UP DOING SOMETHING MUCH WORSE!
INSTEAD OF BLOWING UP THE SCHOOL...
...THE EXPLOSION CREATED A TEAR IN TIME, OR AN EARTHQUAKE, AND TRANSPORTED US TO THE FUTURE!
IF TAKAMATSU IS RIGHT ..
CAN YOU SET OFF THIS DYNAMITE AGAIN..?
OTOMO!

PLEASE FORGIVE ME!
OTOMO!
KAAA!

OUR FATE DEPENDS ON THIS STICK OF DYNAMITE!
Y-YES! I CAN DO IT!
TAKA-MATSU!
THIS IS OUR ONLY CHANCE!
P-PLEASE FORGIVE ME!
THIS TIME WE'LL ALL WORK TOGETHER!
I'M SO SORRY I WAS SO CRUEL!

I'M LEAVING THIS TRICYCLE RIGHT WHERE IT IS.
CONTINUING THE RECENT RISE IN VIOLENT CRIMES, WE HAVE ANOTHER DISTURBING INCIDENT TO REPORT...
WHAT?!
HIS NAME IS SHUYA BANAI, 23 YEARS OLD. ACCORDING TO HIS TESTIMONY...
AS YOU MAY RECALL, A FUGITIVE WAS APPREHENDED NEAR YAMATO ELEMENTARY SCHOOL SHORTLY AFTER IT VANISHED UNDER MYSTERIOUS CIRCUMSTANCES.

...HE AND AN ACCOMPLICE, TOKUJU HASEDA, HAD BURGLARIZED THE ELEMENTARY SCHOOL. HOWEVER, AS THEY PROCEEDED TO LEAVE...

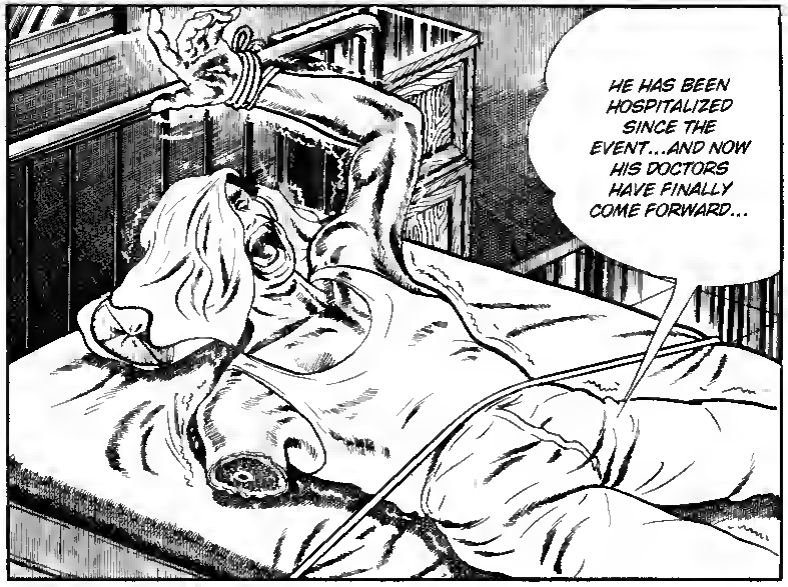
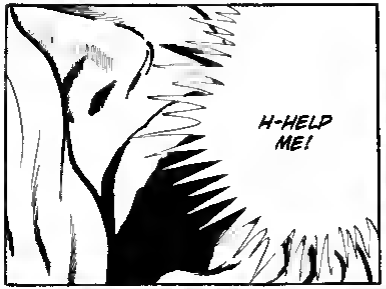
SHUYA BANAI

...THE SCHOOL DISAPPEARED WITH A LOUD EXPLOSION. HASEDA WAS KILLED IN THE BLAST, BUT SOMETHING EXTRAORDINARY HAPPENED TO BANAI...



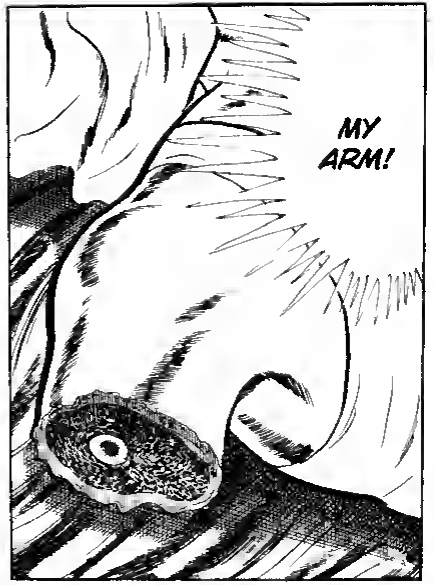
HE HAS BEEN HOSPITALIZED SINCE THE EVENT...AND NOW HIS DOCTORS HAVE FINALLY COME FORWARD...



H-HELP ME!

AGHHH

I'M IN PAIN!



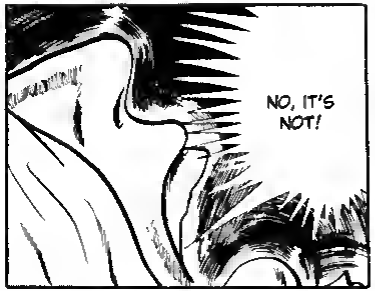
MY ARM!

DO SOME-THING ABOUT MY ARM!

BR-BRING IT BACK TO ME!
MY ARM'S SOMEWHERE ELSE!

EVEN A CHILD KNOWS THAT A SEVERED ARM COULDN'T SURVIVE! IT WOULD DIE ..IT WOULD ROT AWAY!
BE QUIET! I SAID YOU HAVE NO RIGHT ARM! IT'S NOT UNCOMMON FOR AMPUTEES TO HALLUCINATE THE PRESENCE OF MISSING LIMBS.

THEN EXPLAIN *THIS!*

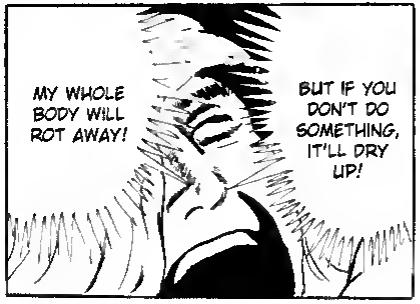


NO, IT'S NOT!

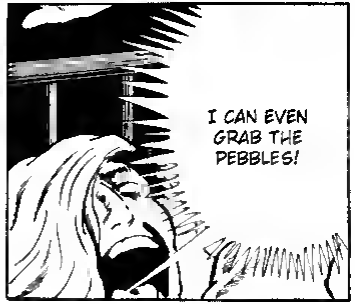
PULL YOURSELF TOGETHER! I'M SORRY, BUT YOUR RIGHT ARM IS GONE.

LOOK! WHEN I SWING IT LIKE THIS...
IT'S NOT!

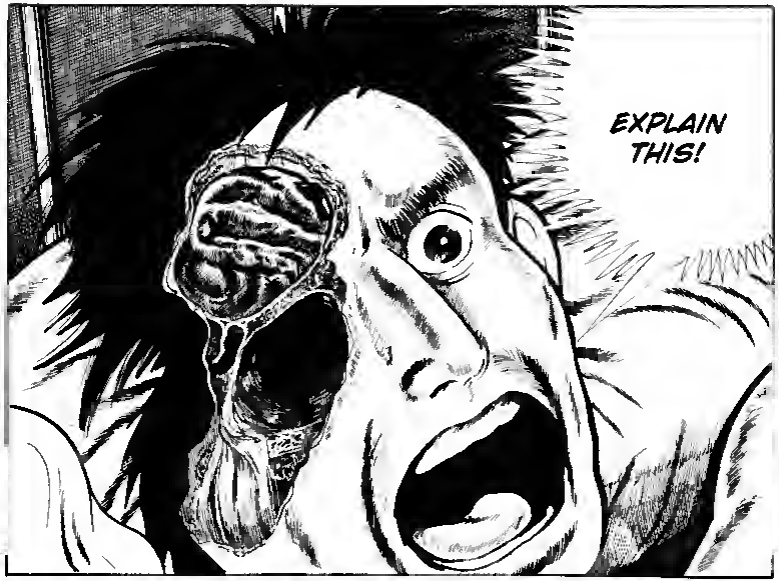
I CAN FEEL THE SAND AND THE PEBBLES!



MY WHOLE BODY WILL ROT AWAY!
BUT IF YOU DON'T DO SOMETHING, IT'LL DRY UP!



I CAN EVEN GRAB THE PEBBLES!



EXPLAIN THIS!

COME ON!

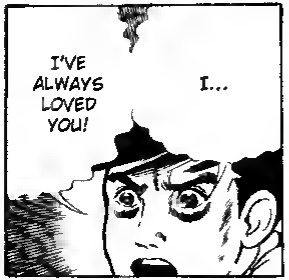
AND NOW YOU'VE COME BACK HERE...
I KNOW THAT.



I'VE ALWAYS LOVED YOU!
I...

PLEASE DON'T GO, SAKI.

...I THINK YOU'RE AMAZING.

...IF YOU WANT TO STAY, I'LL STAY HERE WITH YOU.
BUT...

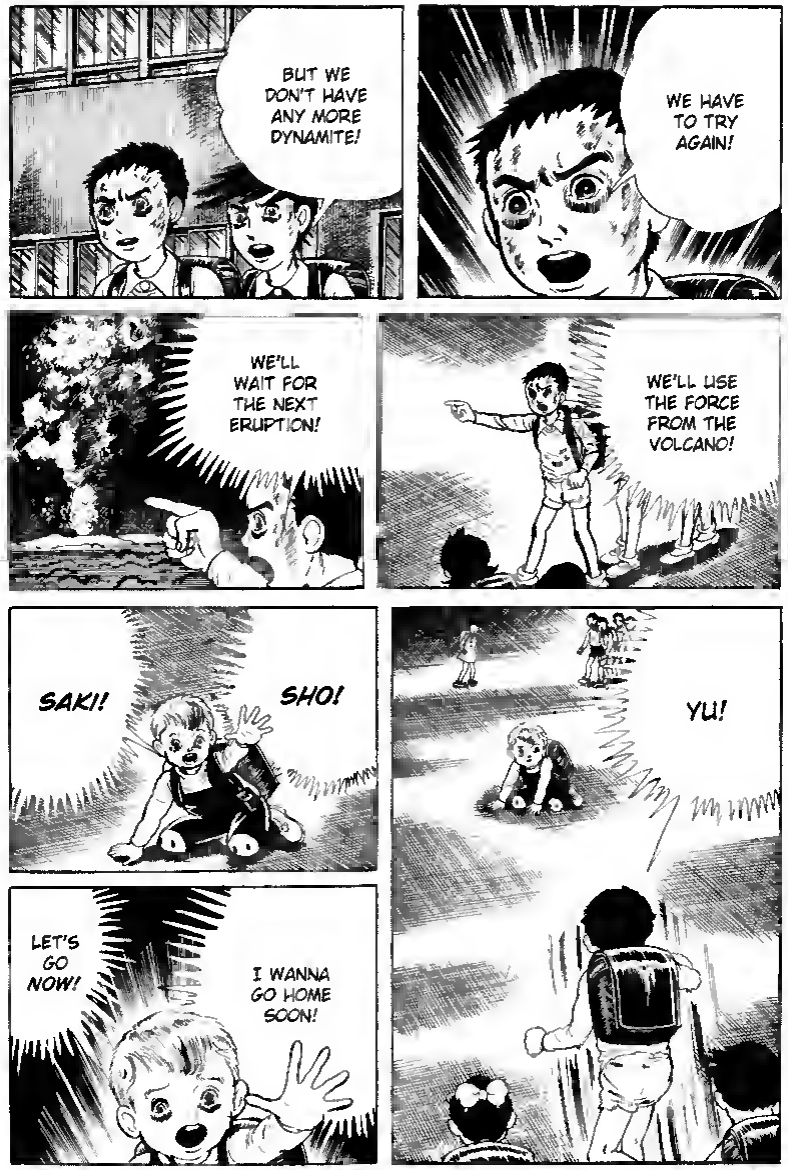
THE BEANS AND CUCUMBERS IN OUR GARDEN ARE GROWING TOO!
YOU'RE NOT THE ONLY ONE WITH GOOD NEWS!
WOWW!
WHAT?
TAKAMATSU ...THERE'S JUST ONE PROBLEM...
YU WON'T BUDGE. HE SAYS HE WANTS TO GO HOME.



BUT WE DON'T HAVE ANY MORE DYNAMITE!
WE HAVE TO TRY AGAIN!
WE'LL WAIT FOR THE NEXT ERUPTION!
WE'LL USE THE FORCE FROM THE VOLCANO!
SAKI!
SHO!

"THIS ROCKET WILL LAND ON EARTH AS SOON AS THE SATELLITE DETECTS YOUR EXISTENCE. IN IT YOU'LL FIND SUPPLIES AND FOOD..."
IT'S IN HER HAND-WRITING!
HUH?!
TAKA-MATSU!

COME HERE, EVERYONE!
YU!
WE SHOULD AT LEAST TRY TO SEND YU BACK!
...HE'S BETTER OFF BEING WITH HIS PARENTS!
HE'S A KID! EVEN IF SOMETHING TERRIBLE HAPPENS IN THE PAST...
YEAH!

YOU'RE RIGHT!

BUT...!
I WANT TO GO HOME!
I DON'T CARE!
YOU'RE A LIAR!
STOP. HE'S TOO YOUNG!
WAAH...

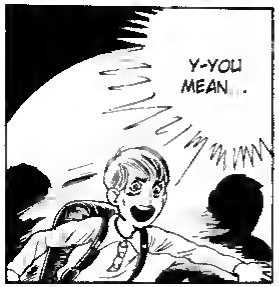
OH, THANK YOU!
I WON'T FORGET YOU, EVEN WHEN I'M WITH MY REAL MOMMY.
I WON'T!
I WON'T!
ME TOO!
DON'T FORGET US EITHER, OKAY?
I'M GOING TO STUDY REALLY HARD AND BECOME SOMEONE IMPORTANT...
I PROMISE YOU!

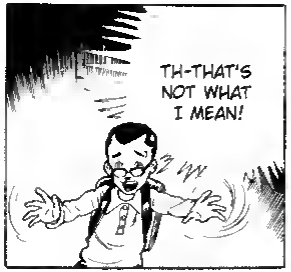
...THE MOMENT HE GOES BACK IN TIME, THIS WORLD MIGHT ALSO BE ALTERED!



Y-YOU MEAN...

O-OR PEOPLE WHO DIED MIGHT BE ALIVE!

Y-YOU MEAN THE DESERT WILL GO AWAY?



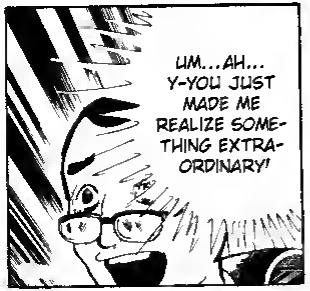
TH-THAT'S NOT WHAT I MEAN!

WE SHOULD ASK HIM WHAT IT WAS LIKE TO BE DEAD!

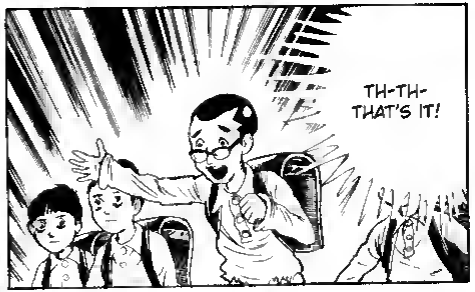
...IKEGAKI MIGHT COME BACK TO US?

WHO KNOWS..WE MIGHT BE TRAVELING IN OUTER SPACE LIKE A MOVIE...
ER...UH...I MEAN THE WHOLE PAST WILL CHANGE! IN OTHER WORDS, THOSE PEOPLE WILL NEVER HAVE DIED! AND WE'LL HAVE EXPERIENCED SOME OTHER COURSE!

...SO THIS WON'T EVER HAPPEN!



UM...AH... Y-YOU JUST MADE ME REALIZE SOMETHING EXTRAORDINARY!



TH-TH-THAT'S IT!

IT WOULD MEAN...
WH-WHAT WOULD IT MEAN IF YU MAKES IT BACK AND CHANGES OUR OLD WORLD?!

WHO KNOWS, IT MIGHT BE OUR DESCENDANTS. BUT NO MATTER WHAT...
YOU MIGHT NOT RECOGNIZE US, THOUGH! WE MIGHT BE OLD BY THEN...
OOH! OKAY!

IT'S A JOURNAL OF EVERYTHING THAT HAPPENED TO US.
UH...AH...I'M GOING TO INVENT A TIME MACHINE SOMEDAY, AND I'LL VISIT YOU!
N-N-NOW I GET IT! WE CAME HERE BECAUSE OF THE TREMOR! IF WE CREATE A RIPPLE FASTER THAN LIGHT, WE CAN SEND YOU BACK IN TIME!

The Nightmarish Imagination

An Essay by Saburo Kawamoto

I CAST A WISH ON YOU!
I MADE YOU!
WHUD
I CAST A WISH ON YOU!
KRAKK
THE EXTRAORDI-NARY WISH FROM HIS CHILDHOOD WOULD NEVER AGAIN CAUSE ANOTHER MIRACLE.
OH, MOM! MOM!
I'M SORRY! I'M SORRY!
NO, MOM!
SO, YOU LIED ABOUT GETTING RID OF WOODY.
WHAT ON EARTH --?
HIS PARENTS CAME BACK LATE THAT NIGHT.

Childhood is full of fears. The darkness of night, the rustle of trees, strangers... and most of all, death. Children are made of fear.

But as we grow up our fear dissipates; we adjust to daily life and lose our primal fears. We may feel uneasy when we are alone in our house at night, in the dark, but for the most part, we no longer feel the same intense fear; that fear that we can hardly bring ourselves to remember. We lose that sense of overwhelming terror, and gradually, we become ordinary adults.

But Kazuo Umezu never lost his fears. He's still afraid of the night. He's afraid of the dark. As his fear grows, his imagination spawns new fears, and he ends up a captive of his own nightmare.

Umezu's work is terrifying. But that's not because he's trying to scare his readers; it's because he knows those fears himself. To adults an ordinary daylight scene might mean nothing...but to children, it has the power to explode into a terrible nightmare. A familiar street can suddenly turn into an alien place.

Umezu knows this kind of special fear. It was this infant fear that gave birth to one of the classics of manga, *The Drifting Classroom*.

"What if the world were to suddenly vanish one day? What if you were teleported to another dimension?" A grown-up would automatically file this premise away in the genre of science fiction, with all the condescension that it implies, but Umezu confronts it with dead seriousness and unblinking terror. The shrunken, confined world of school is suddenly connected to the awe-inspiring notion of the end of the world. The mundane explodes into the cosmic. With their power of imagination, children can make this leap, but the average adult is too enmeshed in everyday life.

One day, in the middle of a big city, an elementary school and its students suddenly vanish. On a fairy-tale level, the premise is reminiscent of the Grimm brothers' "The Pied Piper of Hamelin." Children are hardly part of the "real" world to begin with; most of their time is spent outside our vision, in mind-worlds adults cannot imagine. And (as our culture always warns us) adults must be careful with their children, sometimes careful to the point of paranoia, or our children may literally vanish, "spirited away."

From the children's perspective, the elementary school has been transported to a barren wasteland. The children eventually realize that they are still on planet Earth, but in the future. In Jules Verne's novel *Adrift in the Pacific*, the children drift to a remote island, but in *The Drifting Classroom* the children end up marooned in a future world. It turns out that the planet has been ruined by a horrible, unspecified disaster—a nuclear war or environmental devastation. By being sent to the future, the kids have survived the disaster, making their school a sort of Noah's ark.

But whereas God protected Noah's ark, there is no divine intervention for the children in Umezu's story. If anything, their barren, future Earth has been forsaken by God. There is no water, almost no sign of life, and black clouds block the sun. The once-green planet has turned into a black ball of mud. In the sheer thoroughness of the world's destruction, its crushing finality, you can sense that Umezu must dread this possible future, the way the children themselves would. This is where his nightmarish imagination shines.

In this horrific environment, the children struggle to survive. They face one danger after another—a psychotic murderer, a flood, poisonous plants, giant insects and reptiles—all these are part of the vision of Kazuo Umezu. The children scream in horror, but rather than bringing relief, their screams only heighten their fears. Could the monstrous insect actually be a product of their fear-ridden imaginations? Umezu came up with his grotesque monsters and desert landscapes before *Alien* or the movie version of *Dune*. The scene where the students are attacked by robot dinosaurs anticipates *Jurassic Park*. Given that *The Drifting Classroom* was written in the 1970s, Umezu's originality is amazing.

The children's perils come not only from the outside. In desperation, they split into groups and end up killing each other. This part is reminiscent of William Golding's *Lord of the Flies*, as the children fight one another and die one by one.

It is moving to see Sho, Saki, and their friends struggle against these horrors—without relying on adults, without relying on God. Furthermore, Umezu doesn't resort to a sentimental ending where the children return home safely. They remain in the future, living—somehow—in their new world.

Although *The Drifting Classroom* was written over 30 years ago, the story has hardly aged. If anything, it's more relevant than ever. We tell ourselves that our modern world is more harrowing than ever, but for children in all ages, the fear is always there.
